

MEMORANDUM
Port of Corpus Christi Authority
Department of Engineering Services

Proj. No. 13-030A

TO: Harbormaster's Office

FROM: Jacob Morales, P.E.

DATE: January 21, 2014

Subject: CLOSING OF OIL DOCK 11 (Daylight Hours Only)
From 0700 hours through 1700 hours beginning FRIDAY,
January 24, 2014 through SUNDAY, January 26, 2014.

Please close the subject dock for the dates and times posted above in order to allow H2O Construction (H2O) to perform dock structure repairs. H2O will be accessing the facility both by water and by PCCA gated entrances.

Please notify marine traffic and the USCG of the construction activities. **H2O will contact the HMO via marine radio Channel 12 or by calling 882-1773 just before navigating in the ship channel.** Fred Garza, Project Manager of H2O can be reached by cell phone at 361-695-4249, Chris Hamby, President, can be reached by cell phone at 956-495-6953 and Bryan Cueto, Superintendent, can be reached by cell phone at 321-604-9205.

Should you have questions regarding this closure, please contact Jacob Morales, P.E. His office number is 361-885-6131 and cell number is 361-816-3821.
